VOTE 1 Michael Rowan

INDEPENDENT candidate for HUON

"I want our young people to grow up in a world as safe, prosperous and beautiful as we did."

My priority will be to get things done for you

* Listening, Learning and Leading change for the better

* Promoting transparency and accountability

* Using my skills to identify emerging issues and clear away opposition to dealing with them - like I did with our bushfire bunker

* Strongly representing Huon to all levels of government

* Championing all children and young adults' right to education in Huon

* Protecting Tasmania from harmful budget fixes

* Finding every way possible to to pass on to future generations an environment, economy and society they will thank us for
